## How to find us ........................................ page 48
Welcome

WEYMOUTH STREET HOSPITAL

Weymouth Street Hospital is widely recognised as one of the United Kingdom’s most luxurious independent hospitals, providing first class healthcare by leading specialists, cutting edge technology and dedicated care.

Situated between Harley Street and Marylebone High Street, the hospital provides a wide range of medical procedures in modern, boutique surroundings with exceptional patient care.

Number 9 is our impressive outpatient, diagnostic and imaging centre located on the world famous Harley Street. Many of the country’s leading specialists choose to base their clinics within our outpatient consulting rooms.

On-site is a dedicated diagnostic imaging suite with state of the art MRI, CT, X-Ray and Ultrasound operated by our own full-time radiographers and supported by leading Consultant Radiologists.

I am pleased to introduce our new edition of the Phoenix Hospital Group Directory of Consultants and Specialists. In this directory you will find information about our facilities, services and our principal Consultants and Specialists as well as guidelines on how to refer patients.

Across our sites at Weymouth Street Hospital and 9 Harley Street we are proud to offer high quality facilities and advanced surgical and patient care. We work with some of the UK’s most renowned consultants, the majority of whom come from London’s top teaching hospitals. They are supported by our vastly experienced clinical teams and nurses to provide confidence and reassurance for all our patients.

Our hope is that this Directory will be useful and, as always, we are keen to hear from you with any comments or feedback.

Thank you for your continued support.

How to Refer your Patients

Self-funding and insured patients
We work with all the major insurers and as such our services are available to patients regardless of whether they are insured or self-funding their treatments.

Outpatient referrals
Please call our outpatient department to make an appointment or write a referral letter and send it to us via fax or email.
T: 020 7079 2100
F: 020 7079 2103
E: info@9harleystreet.com

Surgical referrals
Our dedicated bookings team is available each day on telephone number 020 3075 2332 and the booking forms can be emailed to bookings@weymouthhospital.com

Please contact our enquiries team on 020 3075 2345 if you would like more information about our comprehensive facilities and we would be happy to arrange a visit.

If you prefer you can refer a patient directly to one of our Consultants using the contact information included in this directory.

Diagnostic and Imaging referrals
Patients can be referred to a wide range of diagnostic imaging modalities. Experienced radiographers will undertake the examinations, with the report provided by a Consultant Radiologist and returned directly to you. We offer the following diagnostics and screenings:
- MRI Screening
- CT Scanning
- X-Ray Examination
- Ultrasound Screening
- Non-invasive cardiac diagnostics
- Cardiac Imaging
- Echocardiography
- Calcium Scoring
- Virtual Colonoscopy
- Walk in Phlebotomy service

To refer your patient simply complete our Radiology/Pathology/Cardiology Request forms available on request or via our website www.9harleystreet.com

Once we receive the form we call the patient directly and offer a convenient appointment. If you have any questions or special requests don’t hesitate to contact us.

Same Day Service
Patients are able to be seen, examined and have their imaging undertaken at one visit. If further treatment is required this can be explained and planned on the same day. This rapid service service allows you to find the reassurance and advice needed to ensure you make the best decision. Depending on the diagnosis, we are able to offer you Physiotherapy Sessions or treatment to ensure a fast recovery.

Fixed Priced Packages
We offer competitive fully inclusive fixed price packages at the Weymouth Street Hospital. To find out more information please call 0203 075 2345.
