PHOENIX  HOSPITAL GROUP
Personalised for you

WELCOME

I am very pleased to introduce the new edition of the Phoenix Hospital Group Directory of Consultants and Specialists. In this directory, you will find information about our facilities, services and our principle Consultants and Specialists. We also include details on how to refer patients or access our services.

Phoenix continues to expand the range of services it provides and we are delighted with our progress. Our facilities are supported by a growing network of medical Specialists who are experts in their fields with our patients continuing to provide excellent feedback on their care.

I would like to take this opportunity to thank you for your continued support.

With very best wishes.

HOW TO REFER YOUR PATIENTS

Self-funding and insured patients

We work with all the major insurers and our services are available to patients regardless of whether they are insured or self-funding.

Outpatient referrals

Please call our outpatient bookings team to make an appointment or write a referral letter and send it to us via fax or email.

9 Harley Street
T: 020 7079 2100
F: 020 7079 2103

Surgical referrals

Our dedicated bookings team is available each day on telephone number 020 3075 2332 and the booking forms can be emailed to bookings@weymouthhospital.com

Please contact our enquiries team on 020 3075 2345 if you would like more information about our comprehensive facilities and we would be happy to arrange a visit.

If you prefer you can refer a patient directly to one of our Consultants using the contact information included in this directory.

Diagnostic and Imaging referrals

Patients can be referred to a wide range of diagnostic imaging modalities. Experienced radiographers will undertake the examinations, with the report provided by a Consultant Radiologist and returned directly to you. We offer the following diagnostics and screenings:

- MRI Screening
- Dexa scanning
- CT Scanning
- X-Ray Examination
- Ultrasound Screening
- Non-invasive cardiac diagnostics
- Cardiac Imaging
- Echocardiography
- Calcium Scoring
- Virtual Colonoscopy
- Walk in Phlebotomy service

To refer your patient simply complete our diagnostic request form available on request or via our website.

Once we receive the form we call the patient directly and offer a convenient appointment. If you have any questions or special requests don't hesitate to contact us.

T: 020 7079 2102
F: 020 7079 2103
E: diagnostics@phoenixhospitalgroup.com

Same Day Service

Patients are able to be seen, examined and have their imaging undertaken at one visit. If further treatment is required this can be explained and planned on the same day.

This rapid service service allows you to find the reassurance and advice needed to ensure your patient is able to make the right decision. Depending on the diagnosis, we are able to offer Physiotherapy Sessions or treatment to ensure a fast recovery.

Fixed Priced Packages

We offer competitive fully inclusive fixed price packages at the Weymouth Street Hospital. To find out more information please call 020 3075 2345.
